**YOUR GUIDE TO FUN EVENTS & HELPFUL INFORMATION  
FOR THE RESIDENTS OF KEY BISCAYNE AND MIAMI**

## **4th ANNUAL KB FAMILIES IN PARADISE SUNDAY MARCH 15th | 11-3PM**

### ***Key Biscayne Chamber of Commerce's Signature Event Returns March 15th***

Key Biscayne Chamber of Commerce will be hosting its 4th annual signature event, Families in Paradise, on Sunday, March 15, 2020, from 11:00am – 3pm at Key Biscayne's Village Hall (88 W McIntyre St, Key Biscayne, FL 33149). The family-friendly event features activities designed to connect families with local businesses in a way that brings the community together while providing opportunities for creativity, learning and fun.

Families in Paradise will fill both floors of the island's Village Hall with 30 hands-on activities designed to keep kids engaged while simultaneously showcasing the variety of business offerings on the Key to parents. Think business expo in a colorful children's festival environment.

This year Key Biscayne's Fire Rescue and Police Department will be joining in on the fun with their first responder vehicles, virtual reality driving simulator and drunk buster cart, fire truck and demonstrations on life-saving techniques such as CPR, AED and Stop the Bleed.

"The one-day extravaganza, made possible by premiere sponsors Baptist Health Urgent Care Express and the Key Biscayne Community Foundation, is designed to highlight local businesses, giving residents a chance to have face-to-face interaction with companies that pique their interest," according to Chamber Director Tatyana Chiocchetti.

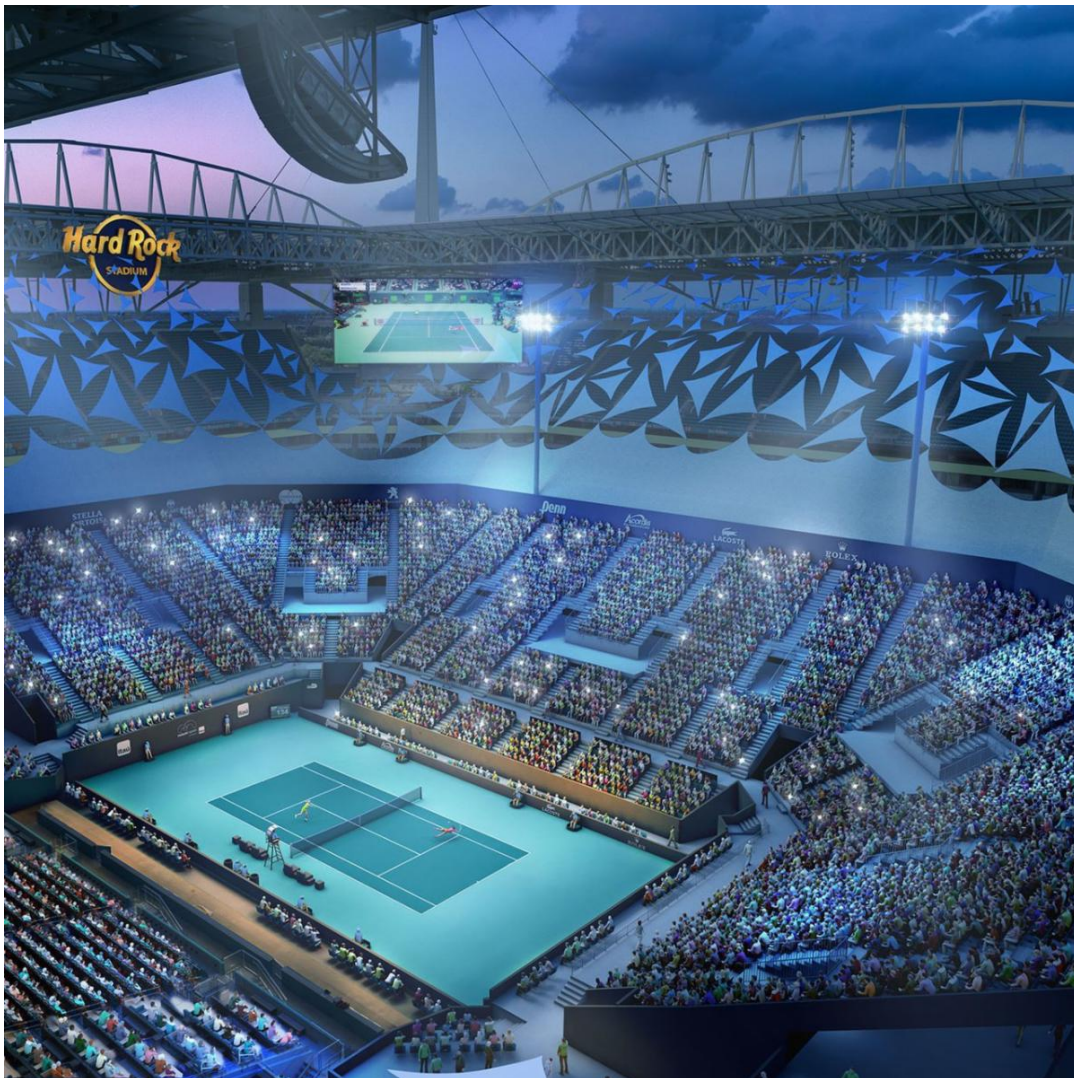

Proceeds from Families in Paradise will support the Chamber and its effort to promote, develop and advance the commercial and civic interests of the Village. Tickets are \$10 at the door and \$5 in advance online — includes all 30 hands-on activities.

### MIAMI FILM FESTIVAL 2020 MARCH 6TH - 15TH

Since the Miami Film Festival's first edition on February 3, 1984, films have been screened in a variety of theaters throughout the greater Miami area. By the sixth Festival in 1989, the Olympia Theater at the Gusman Center had become the official residence. As the 1990s drew to a close, administration of the Festival was transferred to Florida International University for a brief period, and then in October 2003 to Miami Dade College (MDC), where it has remained since.

MDC has led the Festival through a period of tremendous growth and

expansion and shifted its event dates to annually open on the first Friday in March, and run for 10 concurrent days. The Festival's programming voice, unique among U.S. film festivals, has gained recognition for its numerous discoveries, and has given out more than \$1 million in cash awards to both established and emerging filmmakers. Official Festival venues expanded to Silverspot Cinema, MDC's Tower Theater Miami, Colony Theatre, Coral Gables Art Cinema, O Cinema and other venues. Annual attendance and media impressions have grown steadily throughout the 2010s.

Miami Sailing Week was established in 2010 with the goal in mind of creating a fun filled week of activities related to the sport of sailing that we all love very much. Through the years we accomplished many of our goals and the event became a capstone of Miami's regatta season. Along the way we worked with many different one-design classes, the waterfront community, talented artists and benefitted several charitable organizations. Our vision is to continue the positive trend and further expand the event in 2020 with returning and new classes.

We would also like to welcome back our sponsors that through their commitment enhance the regatta for everyone.
